And by the Commission granted by the true and absolute Lords and proprietors of the said province to the Hon^{ble}: John Archdale Esq^r: Govern^r &^{ca}. bearing date the thirteenth day of Augst: in the year of our Lord 1694. he the said John Archdale is Impow^rd by and with the Advice and Consent of the Councill and Gen^{ll}: Assembly of their province or any part thereof to Enact all Such reasonable Laws and Statutes for the better Govern^t. of their said province as he the said John Archdale with the Advice and Consent of the Councill and Generall assembly shall think Expedient which Power of making and Enacting Laws in man^r as aforesaid is derived to the R^t. It has been hitherto the constant practice and Usage of their L^{pps}. when any person has been by them admitted and own'd a Propriet^r. of this province, to give their Deputies here publick Notice (to be recorded amongst their other publick Acts, Letters, Instruments, and Writeings) that Such a one was admitted and become a Proprietor otherwise their Deput^{ies}: were not to take notice of Such new Propriet^{rs}. appointing and nominating a Deputy in Carolina, What notice their Lord^{pps}-. have taken of said Nicholas Trott of London for a Propriet^r. we are ignorant: but we never yet heard that their Lords^{pps}. ever acquainted their Govern^r. and Councill that he was a propriet^r. or that he ever Signed or Subscribed any publick Lett^{rs}: or other publick Acts or Instruments, or that he ever satt with them at the Board in London. and therefore we are of opinion that the said Mr Nich: Trott cannot Act as his Deputy here.

We therefore desire your Hon^{rs}. if things are really so as they appear to us to be, that you would be pleas'd to remove the said Nich^o. Trott from Sitting, voteing and acting with you in passing Laws, that so all Scruples and doubts may be removed concerning the obligac'on of Such Laws, and that people may yeild due obedience to them instead of disputeing their force and authority and we further request yo^r. Hon^{rs}, that if the said Nicholas Trott appear to be no Deputy to his Cozin Nicholas Trott aforesaid you would be pleased to thinke of Some other person to fill up any vacancy that may be in the Councill at this time./

These are what we Conceive proper and reasonable for us to offer to your Hon^{rs} concerning the said Nicholas Trott at this time and Shall with all Imaginable Expedition, prepare such futher Articles agst: the s^d. A Message from the Govern^r and Council by Cap^t Geo: Evans. Viz^t.

Gentlemen

That we may really Seem on all occasions ready to oblige an Assembly who have given us Such franck Assurances of their Inclinations to Serve the Countrey. We with a more then common attention consider'd the Subject of your last address. And with as much Satisfaction and brevity as possible returne you the following answer.

It is indisputable That Thomas Amy Esq^r was a Proprietor of Carolina being Chosen and appointed Such by the Lords Proprietors to Supply the Vacancy of Seth Sothell Esq^r Assignee of Edward Earle of Clarendon, on of the first true and absolute Lords Proprietor./

And Mr Trott has laid before us the Coppy of an Assignment attested under the Hand and Seal of Samuel Kew Notary Publick in Lond^o. bearing Date the 28th day of Novembr. 1702., Wherein the said Thomas Amy, in Considerac^on of a marriage Portion for his Daughter whome Nich^o: Trott of London had married Doth grant and Assigne his proprietorship aforesaid unto the said Nich^o: Trott, and the Heirs of his body &c^a. w^{ch} Assignment is dated March the 21st. 1700.

And Mr Trott hath likewise Shown us a Deputation under the Hand and Seal of the said Nich^o. Trott of Lond^o. bearing date the 2^d. day of Novem^r. 1702. empowering him to represent the said Nich^o. Trott as his Deputy in this Government.¹

All which thus appearing to us in its true circumstances, there is not any Roome left to doubt the truth either of the Proprietorship, or Deputation, and as Such by the 37th Article of the Lords Propriet^{rs}. Instructions to their Govern^r. Philip Ludwell Esq^r (w^{ch} we also take to be the present rule of Govern^t.) we have not power to remove or Suspend a Lawfull Deputy, but are Expressly prohibited from doeing so, and which we find further confirm'd in a Letter from the Lords prop^{rs}-. dated May the 12th. 1691. directed to the said Seth Sothell Esq^r. on his removeing Mr Joseph Blake then Mr Archdale's Deputy and placing Mr Berrisford in his Roome wherein they say, that they will never allow, that any Govern^r. upon any pretence whatsoever, shall turne out a Deputy that is so appointed to be, under the Hand and Seal of any Propriet^r. that tending

¹See *Commissions and Instructions from the Lords Proprietors of Carolina to Public Officials of South Carolina*, 1685-1715. p. 170.

towards a Rebellion to y^e Crown. Arbitrary power to Such a Govern^r and the Oating the rest of the Propri^{rs}-. of their Rights.

And thô wee do not find that we have Ever Received Publick Notice from the Lords Prop^{rs}-. that the said Nich^o: Trott of London was admitted and became a Propriet^r. Yet it may be fairly and Easily implied, in as much as his Deputy M^r Trott here hath continued allmost these four years to pass Laws and Signe Publick Letters wth. the rest of the deputies, w^{ch} the Lords prop^{rs}-. have from time to time Received and Ratified without any Scruple or objection to M^r Trott thô they very well know him to be the Deputy of M^r Trott in Lond^o by our constant Letters to their Lords^{ps}-. to that purpose./

Besides it has not been always a Constant Rule with the Lords on the admission of a New Propriet^r. to Signify their pleasure therein to their Dep^{ties}. here, for in the case of M^r Warre dec'd who came to represent John Archdale Esq^r. as his Deputy, their Lordships to this day have not by Lett^r or otherwise Signified to us their Dep^{ties}. that the said John Archdale Esq^r is admitted as one of the true and absolute Lords Propriet^{rs}. Notwithstanding none of us I presume will dispute or Question his right to the proprietorship And as to the Inference you draw from M^r Trott of London his not haveing ever signed or subscribed any publick Letters or other publick Instruments or that he ever Sat with the Lords at the Board in Lond^o- You must needs have known or heard of his present Circumstances w^{ch} (not to say more.) are Such as have for a long time past and as as yet deny him access Even to his own ffamily.

And thus Gentlemen haveing Communicated to you those reasons that have prevail'd with us to consider M^r Trott here the undoubted Deputy of a Lawfull prop^r-. and as Such above our power of removal or Suspension, so we hope they have the Same weight and Effect with you, and that you will apply your selves to the Publick buissness and makeing of wholesome Laws, without the apprehensions that they will loose their design'd force and not Energy, or that any person will dispute their authority on this pretence, And least any person be yet unsatisfied with the reasons aforesaid Wee will take care that no laws Shall be Ratified without Such a Number of Deputies as may pass the Same, thô M^r Trott were absent./

This Gentlemen is all we can say (as of our Selves), in the case of M^r Trott. But we are Permitted from him to acquaint you That Seeing you Intend to Charge Articles agst him, He will wave Sitting in Councill (thô not his right thereto) untill he has fully answer'd the Same. Least he may be thought or Seem to decline a Satisfaction to publick Justice by the Advantage and dignity of his Station

Wee have likewise Directed our Secretary to Read to you M^r Amy's Assignment of his Proprietorship to M^r Trott of London M^r Trotts Deputation and the Severall paragraphs we have Referr'd to in their Lordships^{ps}-. Letter and Instructions and to leave them with you for your perusal and further Satisfaction. That you may see how unwilling we are to leave you unsatisfied in any thing within the Compass of our Reach and power

Mr. Henry Wigington according to order brought in an address to the Govern^r and Councill in Answer to their Message relateing to Judge Trott w^{ch} he read in his place and was agreed to by the House. Viz^t.

To the R^t Hon^{ble}: S^r Nath: Johnson Kn^t Govern^r &c^a. and to the rest of the true and absolute Lords and Propriet^{rs}. Dep^{ties}. May it please your Hon^{rs}.

The Answer you made to our Address agst Mr Trott sitting with you in y^e makeing and passing Laws gives us very great assureances of your forwardness in maintaineing a good Correspondence with the House of Com^{ons}. and we in returne

Shall omitt nothing which may tend to the Support and Continuance of it./

We find that your Hon^{rs}. are agreed upon the very Same Rules and Instructions of Government in relac'on to M^r Trott by and according to which their Lords^{pps}. have tied up the Hands of their Govern^r and Councill from displac'ing any of their Dep^{ties}. in Carolina. This Seems very plain but it Still remains a doubt with us, whether your Hon^{rs}. Confirms to the Eigth Rule of the aforesaid Instructions, can admitt any person to any office, as is certainly that of being a Deputy before their Lords^{pps}. have certified under their Hands and Seals that the person Such deputy represents is admitted a Propriet^r. It is confess'd on both sides, that their Lords^{pps}. have given no Such notice to their Govern^r and Councill here, that M^r Trott of London is a Proprietor, it Seems therefore somewhat strange to us how he can have a Deputy here to represent him./

The care their Lords^{pps}. tooke in provideing that eighth Rule and Instruction undoubtedly proceeded from the apprehensions they were under of haveing one time or another, some person Illegally and unwarrantably assume the Right and Title of a Propriet^r. and to prevent his Acting as Such by a Deputy in Carolina, they directed their Govern^r. and Councill not to admitt of any Such Deputy./ This we take to be the true and genuine Sense and Interpretation of that Rule. (without any force or Strained construction put upon it./

Your Hon^{rs} are pleas'd to Instance that M^r Warre came here a Deputy to M^r Archdale when the Lords prop^{rs}. tooke no notice of him as Such to their Govern^r and Councill here, we are Inform'd that m^r Archdale who was M^r Warre's principall, had before that Signed & Subscribed some publick Instrument together with other Prop^{rs}. which could leave your Hon^{rs} no Roome to doubt of M^r Warr's being a Lawfull Deputy, if m^r Trott of London had ever done any Such thing we would not have troubled you with our address. Therefore we againe humbly desire and request your Hon^{rs}. that Judge Trott be removed from Sitting in Councill.

Tho Cary Speak^r.

form'd the House that the Govern^r Answer was he would advise with his Councill

The Committee to whome the publick Acco^{ts}. and Coll- Rhett's acco^{ts}. was Referr'd according to order brought in their Report.

Order'd

That they lie upon the Table

A Message from the Govern^r and Councill by Cap^t Geo. Evans Gentlemen

As the Govern^r and Councill are the only persons accountable to their Lords^{pp^s} the Lords proprietors for the admission of any Deputy into the Councill, so we cannot but be concern'd to see you Spend so much of your time in controverting a Subject that does not properly lie before you, more Especially now when M^r Trott himself has waved his priviledge of Sitting with us in Councell

And (but that we would prevent further unnecessary disputes) wee might observe from your last address that M^r Archdale (whome you grant a proprietor) is not to be concluded Such by the Strict instruction of that Eighth Rule of Govern^t. you insist on for the Palatine and three more of the Lords Propriet^{rs}. have never yet Certified to us under their hands and Seals, that he is admitted into the place of a Propriet^r. and w^{ch} is the case of Coll- Gibbs the Lord Cravens Deputy and indeed of all other Proprietors on any change or alterac^on amongst them, and in particular as to the late Govern^r Joseph Blake Esq^r about whose Proprietorship their Lords^{pp^s}. never sent any advice that we know of./

But say you M^r Archdale Signed Some publick Instrument together with the other Propriet^{rs}.. which could leave no roome to doubt of M^r Warrs being a Lawfull Deputy, and at the Same time dispence with the Rule you but just before insisted on, makeing a Circumstance Equivalent to it./

But Gentlemen have we not likewise the Same liberty to conclude & inferr (as we did before) that forasmuch as M^r Trott hath Continued almost these four years past to pass Laws with the rest of their Dep^{ties}, which their Lords^{ps}, the Lords Prop^{rs}, have Ratified without any Scruple or objection (thô they very well know M^r Trott here to be the Deputy of M^r Trott in London) that the said M^r Trott in London as a Lawfull Propriet^r.

Yes Surely with a great advantage in the Circumstance, unless you will Suppose their Lords^{ps}, never lookt over the Acts they confirm'd Therefore Gentlemen (Since Such Enquiries and disputes as these may be of very ill Consequence, tending as it were to an overthrow and unhinge the Govern^t.) let us advise you to Confine your Selves to the proper business of your own house, and be not Solicitious (as we said before) about such things as do not properly come under your Cognizance and lett us take care for ourselves that we do not exceed or fall Short of the Duty we owe their Lords^{ps}-, this province and our own Secureity.

N Johnson.

Tho Cary Speak^r.

May it Please your Hon^r—

Altho the Placing of y^e Lords Proprietors Dep^ties. doth not properly Lie before this house yet we Could not but Think Our Selues Oblidg and Look Upon it as Our indespensable Duty.

To Take the greatest Care y^t the Legislative power Should Remaine Entire and unexceptionable and for That Reason it was that we inter posed with Our Advice and Address To your Hon^{rs} Against Mr. Trotts Sitting and Voteing with you in the Making & Passing Laws./—

We Take noe Delight in multiplying massages in this Matter & Would haue desisted Pressing it any further but we Esteem it of That Consequence as by noe Means to be disregarded having noe Answer made To Our Main Objection—

Indeed by the Strictest Construction y^t Can be Put upon y^e 8th. Rule of Governm^t: To Coll Ludwell wee Obserue with your Honn^{rs}. that Mr. Warr Could not be Admitted a Deputy To Mr. Archdale but Then This Would be Such a Construction as if it Put Upon Some Other rule would Render Them impracticable but however y^e Case between Mr. Trott of London & Mr. Archdale in respect of your being Proprietors is vestly Different

Mr. Trott of London as We Insisted in Our address Never Satt at y^e board wth. there Lordships Mr. Archdale Constantly did One never signd To any Publick Letter or Instrument to the Gouverner & Councill here The Other has Mr Trott has not been Publickly Owned as Proprietors but Mr. Archdale has had y^t respect from the Rest of Their Lordships as a true & Lawfull Proprietor Ought To haue & we dont Doubt but there Lordships by Signing and Subscribing a Publick Instrument to Which They Severally Put Their Seals & To Which Mr. Archdale Put his hand & Seale Intended To Certifye There Deputies y^t m^r— Archdale was Admitted a Proprietor within y^e Intent & meaning of y^e Said Eight Rule, Tho. y^e Writing it Selfe Purported a Commission

If There Ever Was An Act Sent home To be rattified To Which There was but a bare Quorum of Their Deputies y^t Signed & m^r Trott here One of That Number Then Such a Case Would be Some thing Opposite but Otherwise we may belieue There Lordships read y^e Laws & yet did not allow Mr. Trott here a Deputy or Mr. Trott In England Propri^r. Wee by Taking This Caire about Passing of Laws think That we Dont Exceed y^e Proper bussiness of This House & are Verry Sorry your Honn^r Should blame us for being Sollicious about an affair of This Consequence & are of Oppinion y^t. your Hon^r. do not

displace a Deputy all Circumstances Considerd when you do not admitt Mr Trott in the Councell—

A Bill for Settling y^e Watch In Charles Town was read y^e first Time and Past wth Amendm^{ts}—

Orderd

That Mr. William Gibbon & Mr. Mackpherson Carry the Said Bill To y^e Govern^r. & Councell for Their Concurrence

Resolved

That This House will Resolve Themselves into a Commitee of y^e Whole house To Consider of Ways and means To Regulate The Indian Trade—

Wee think it Verry Strange That no arguments will Content you in y^e Affair of M^r. Trott wee have already done all or

rather more Then we need Towards your Sattisfaction without Prevaileing However we will add one Curcumstance more which is a Coppy of a Paragraph of a Letter Sent by m^r. If all this will Not Convince you That M^r. Trott is y^e Deputy of a Lawfull Proprietor we must Conclude you haue Some further Reasons Then are Discoverd in y^e Speciousnes of your Pretences w^{ch} we Shall in noe Wise Encourage and resting Secure in the Sincerity of our Owne Proceedings discharge our Selues from any further Disquisition in this affair But Doe again repeat to you, That we are Still ready to Receiue and hear any Articles That you haue To Charge agst. m^r. Trott who on That Consideration Still Continues his absence from The Councell./

Gentlemen./

By Virtue of Letters Patents from y^e Crown To y^e Lords Proprietors their Lordppps are impowd To Assemble y^e freemen of This Prouince or their Delegates or y^e major Part of Them, in Order to The making of Laws, in Such manner and forme, as To their Lordspss shall Seem best as by y^e 20th. Article of Instructions of governmt. to Coll Phillip Ludwell Appears—

And in a Paragraph of Their Lordspss Instruction for granting of y^e Land Recorded y^e 14th. Day of Novem^r 1693 They Thought fitt To Send Additionall Instructions To their Deputies about Pasing Laws in Carolina wherein They Require Them To Ratifye no Law that Diminisheth or altereth any of The Powers granted to Them in y^e Charter from y^e Crowne, but when any Such Bill is Pass^d. in y^e. Generall Assembly and Consented to by y^e Deputies, they are To Send y^e Same to them for Their Approbation & Consent before they Ratify y^e Same Adding that their Intent and meaning That of that nature Should be Put in Execution as a Law in Carolina Untill they Themselves haue Consented To it—

Which being premised we must obserue To this House That a Law for Ellecting members of Assembly According to y^e Proprietors. ownc maner and from hath been Settled and Rattified by Their Lordspss and is Still in force

Wherefore we their Deputies cannot without the greatest violation of There Lordsspps said previllidge and a Diminishing and altering of y^e Powers granted to Them in y^e Charter Agree with This House in y^e bill for Regulateing Elections now before us further then To Pass The Same without Ratification The man^r and form of Assembling The People being Not Ours but There Lordsspps undoubted Right This Information We Thought Previously Necessary before Reading That Bill. That you may not Thinke we Refuse Passing it into a Law on any Other Consideration

Intending when it is Past in y^e generall Assembly & Consented To buy Our Selues Then To Send it to Their Lordsspps for Their Approbation and Consent Pursuant To Their Said Instructions—

O N^o: 6 By force of v^e Charter there Lordsspps y^e Lords Proprietors with out y^e Advice Consent & approbation of y^e Freemen of This Prouince or of y^e greater part of Them, or of Their Delagates or Deputies are Impowd To Appoint & Establish any Judges Justices majestates or other officers whatsoever w^{ch} in y^e Said Prouince at sea or Land in Such manner and forme as unto Them most Convenient Which being Soe wee Cannot but be Surprized To Obserue in your Bill for Establishing Bills of Credit &c^a. That Instead of Leaving to us The True and absolute Lords and Proprietors Deputies The Right and freedom of Appointing Two Such Considerable officers as y^e Receiver and Comptroull^r— you doe not Vouchsafe so much as To Take Our Advice or Opinion Therein but nominate Them your Selues—

Which being so Paliable and Ineroachmt^t on There Lordsspps Privillidges we Cannot by Noe means ꝑmit it. And There fore Desire further Sattisfaction Therein In Ord^r. to w^{ch}. and To avoid (if Possible) all This under Standing we Desire That you Would appoint a Commitee of your house to meet and Confer with a Committee of Ours and That There may be y^e Least Delay of buissness we Desire y^e Conference may be at Three of y^e Clock This Evening at y^e house of m^r. That Cap^t. Tho: Neirn & Mr. Henry Wigington Cap^t. George Smith Mr. Jn^o. Abra Motte Mr. Robert Fenwick be a Committe To meet a Committe of y^e Upper house at a Conference Relateing To y^e Two Last messages at y^e house of Mr. Will Gibbons but by a Verball message from y^e Govern^r. & Councell it was Appointed at y^e house of Cap^t. John Collins—

N^o: A—Orderd That Landgr^r Smith and Cap^t. Neirn Carry y^e following Message To y^e Govern^r & Councell Viz
 May it Please your Hon^r.

The House of Commons have Appointed Some of There members To meet Some of your Hon^{rs}. at a Conference This afternoon at y^e house of Mr. William Gibbon. but Desire The Time may be five a Clock when & where they will not only Confer with your Hon^{rs}. Concerning The Power and Right of y^e Commons to Nominate Their Receiver & Comptrol^r. but alsoe Desire your Committee To Conferr with Them Concerning The Subject matter of y^e Ellection Bill as farr forth as you Take Exceptions to it—

N^o—: A Orderd

O That ye Said Committe do Prepare and Draw up reason to be made use of at y^e Said Conference

N^o—: 7 The Committe To Whom it was Referred To draw up reasons To be offerd to y^e Govern^t. and Councell at a Conference for Disagreeing with Them as To y^e— nomination of y^e Publick Receiver being in y^e Lords Proprietors only; reported That They had Drawn up y^e Same Accordingly, w^{ch} were read and Then agreed unto by y^e house w^{ch}. are as follows—

Reasons 1st Whereas y^e Govern^r & Councell insist in Their This Days message, That y^e Lords Proprietors without y^e Advice, Consent & approbation of v^e freemen of This Prouince or There Delagates are Impowerd To appoint and Establish any Judges Justices, Magistrates or Other Officers whatsoever within y^e Said Prouince at Sea or Land in Such manner and forme as unto Them Shall Seem most Convenient, from Whence They Inferred That They haue y^e Right and freedom of Appointing y^e Receivers & Comptroler

To this it is answered, That King Charles y^e Second of Glorious memory. who granted y^e Said Letters Patents To y^e Lords Proprietor for y^e Prouince of Carolina with y^e Governm^t. Thereof. could Never by y^e Generall words in y^e Said Patent of Appointing all officers w^tsoever both at Sea and Land Intend That There Lords $\mathcal{P}\mathcal{P}$ s should haue Power by Them selues or Deputies To Nominate and Appoint any Other Officers Then Such as They Grant by Whose Places They might haue Immediately y^e Desposall of As Judges Justices majestrat & which by y^e Onumerateting y^e Said Officers plainly Appears—
 1^t. for Otherwise y^e King was mistaken in his grant
 2. for Then There Lords $\mathcal{P}\mathcal{P}$ s might Appoint y^e Speak^r. of y^e house of Com^ons who is an Officer of That house—

They might Likewise appoint y^e Clerk and messenger of y^e house who are Certainly officers w^{ch}. if They Did. would not Only be absurd and redicoulous but Contrary To all Laws of Parliment & by the Same Rule y^e Lords might appoint y^e Commissioners of y^e fortification w^{ch}. is verry Considerable Post and office. Besides it is notorious That y^e Desposition as well as granting of money by That of Parliament has Ever been in y^e house of Com^ons if They haue y^e Desposall of Publick money. it is fitt They Should appoint y^e Officers whome They Can Trust with The Disposall of it otherwise the main end of raising of money might be frustrated by Some misapplication of \mathcal{P} sions whome They Would not Trust This They might Burthen y^e Country with Impositions and Taxes w^{ch}. might be Converted To Some very Pernicious use & Imployment—

If y^e Commons when they haue raisd money could not Dispose of it. we Should never find Parliment Inclind to raise money Though it were Pretended y^t. y^e Nation was in Never Such Need of it for would any Private Person Trust another with a Sume of money when he Could not Tell how Soon y^e Trustee might make use of it To his Prejudice—

The Comons In England never Sufferd y^e Lords in Parliament To make any alteration In money Bills altho y^e Lords haue so Considerable Share of y^e Kingdom in Their Possession: how Then can it be Possible That a Govern^r & Councell of any Collony. where There is not Such Thing as a house of Lords Should haue any Power in That Point w^{ch} y^e house of Lords In England Never had

After Severall years Contending between y^e Governor and Councell and y^e house of Com^{ons} for Nominating y^e Receiver w^{ch} was Never made use of Neither, but when Some p^{ersons} had a mind to Create misunderstandings between both houses. Tho y^e Com^{ons} if They Ever Did recomend Their Receiver for there Approbation yet was it purely to maintain a fair Corrispondence, Tho not of Right) yet y^e. R^t Hon^{ble}. y^e Present Govern^r. being well Sattisfied y^t y^e Said Nomination was Inherent in y^e house of Comons & from w^{ch}. they would never Depart did Confirm Such Right To Them by an Act of Parliment Ratified by himselfe and y^e Rest of y^e Councell and it is Som Thing Strange That y^e Govern^r. & Councell after Such a Publick Decision of y^e matter by Act of Assembly. Should at This Juncture revieve a Dispute w^{ch} may Produce Differances & Delays of publick Buissness—

Orderd—

That y^e Com^{itte} who are Appointed To Draw up the Reasons do manage y^e Conferance and Being Resolved by Cap^t Tho: Neirne reported They had been at a Conference with Some Members Appointed by y^e Govern^r. & Councell and gaue Them there Reasons for Dis a Greeing with Them concerning y^e Lords Proprietors haueing y^e Sole Right of nameing The Publick Receiver./—

Orderd

That y^e Said Report be Enterd into y^e Journall and is as followeth./

That at y^e Opening y^e Conference it was Said on both Sides That The Way they were in was To maintaine a good Correspondence between both houses—

The Manager for The Govern^r. and Councell when your Managers Insisted upon Two Things w^{ch} Should be the Subject Matter of There Conference Viz^t the Nominating y^e Publick Receiuer and Comptroler &c^a. & upon matters in the Election Bill To Which they had Tooke Exceptions The manager for y^e Govern^r. and Councell Acquainted your Managers that They had no Instructions to Medle with the Election bill, upon w^{ch}. we Returnd to y^e house for Instruction to Know if it were there Opinion that there Managers should Conferr with them upon the nominating a Publick Receiver and Comptroler onely, w^{ch} being Consented to by y^e house, your Managers returnd To the

Conference and made use of the Argum^{ts} drawn up and Enterd in your Journall./—

They Said, that because the Lord High Treasurer in England was nominated by y^e Queen therefore the Lords Propriet^{rs} had y^e Right of Nominating y^e Receiv^r here in Carolina./—

To which your managers answerd that altho the Queen nominated the Treasurer yet it was Principally for her Private Revenue and that they Conceived that the Comons had a Right when they raisd money To appoint Comission^{rs} for The Receiving & Disposing of it—

And the Case was Instanced, where The Comons had Lodgd the Money which they had raisd in Ch. 2^d reign in y^e Chamber of London

They Said The Com'ons might Appropriate the money but not Appoint the Receiver./

To this it was Said that y^e Person who received the Money might haue The Disposall of it, for When it was once in his hands he might dispose of it Otherwise Than as it was Appropriated and That y^e only Security y^e People Could haue was To be Satisfyed of y^e fidelity of y^e Person with whome their money was Lodged.

—They from the Upper house—urged that all officers whatsoever must Signifye Such officers of great Trust as The Receiver and y^e Comptroler— It was Answerd That Time was when There was no Comptroler & That he was an Officer appointed by y^e Com'ons & might of Consequence cease To be so when they pleased and further That y^e Word whatsoever must of Necessity Imploy Such officers as are there named and not those of a Contrary nature w^{ch} was further Plain in That y^e Lords Never Pretended to Look upon y^e Publick Receiver as Their officer Else They Would have Sent him Leters Instructions &c^a. w^{ch}. They had Neuer Done They argued it was Strange That our house should name y^e Receiver and Comptroler in an Act without Acquainting Them

Your Managers Answer./

That our house Took y^e Point To be Past all Debate because it was Decided after Severall years Contending by an Act of Parliam^t. ratified by This Present Governm^t who was Verry Well Satisfied of the Right of y^e house of Com'ons in That Point It was Answerd The govern^r. was Trickt into y^e Passing That

act your managers answerd, his honner and Then The Councell were not men of so Small Capacity to be so Trickt besides That all Laws are read Thrice Your Managers further urged That it was unamountable that The greater Power Such as Raiseing & Disposeing of The Publick money Should be in y^e People and not Likewise y^e Lesser Power, w^{ch} was but Accidental to y^e Other—

The house Adjourned till $\frac{1}{2}$ an hour after Two in y^e afternoon./—

Altho Mr. Berrisford first measures in his Expedition agst. y^e Savanna Indians were Taken without our Consent and Approbation, or so much as given us any Acco^t. or notice thereof, Whose Right it is to make peace & Warr & we hereby Sufficiently induced & Justified to Take Exceptions at or rather To Punish such a Liberry Nevertheless hoping it might Prove for y^e Publick Benefit—

Gentlemen

It is Very unwillingly that we are forced to Call you up here
from y^e Publick business at This houre but by y^e Experience
Wee haue had in y^e World wee haue always found That When
Divisions are Once come to That height as To forme Them-
selves into factions Upon Different Measures & appoint Des-
signes that Then Reason & Reasoning make but Verry Small
Impressions upon Either of y^e Parties w^{ch}— wee find Veri-
fied by y^e Last Conference reported to us w^{ch}. y^e Committes
of both houses had Together Therefore Since y^e Reason of y^e
Thing & former Custom (y^e Last Act w^{ch} was Obtain being by
Surprize) will not Convince you of y^e Just Demands of This
house we must in Verry Plain words tell you wee Neither can
nor will giue away their Lordsp^s Perogatiues & Rights now
it is in Our Power not to Submitt to So unreasonable a De-
mande & we are Verry Well Assured that we haue good Rea-
son to Insiste upon This Right w^{ch}. wee See is y^e Constant
Method of y^e Governm^t. of England Where Except in One
Instance very Extraordinary as well as y^e Occasion of it y^e
Publicke Exchequer & y^e Officers belonging to y^e same allways
receiue y^e moneys raised by Act of Parliam^t though Account-
able to Them for y^e Same where They Suspect any misappli-
cation of it Especially if appropriated To any Particular use,
Whereas all That wee Pretend to at This Time is To Nominate
him Joyntly with you, And Surely we that (you content not)
must Signe with you before any Money Can be Drawn Out of
y^e Treasury ought Equally to be Concernd with you in y^e Nom-
ination of a Person fit for so Considerable a Trust—

And wee must furthur Tell you that we Think never more
reason Then now to Insiste upon Our Right in This Affaire

And not To giue y^e Power out of Our Own hands into yours, when we plainly See what ill use you now make of That Power That you Pretend to haue in Chooseing a Person so Justly obnoxious to the Governmt as Mr. Logan who hath made it his business to make Clubs, Parties & Factions & to be Principally Concern'd in a notorious Riot, & Seconded with a Tumultuous & most unreasonable Petition, & a Seditious Association to Justify y^e Same illegall & Extravagant Actions on purpose to Shelter y^e Cremenalls from Punishment by Those men & who upon y^e Account of Those ill Actions & affronting & Turning agst. y^e governmt. & for nothing Else is proposed to be Continued Receiv^r. w^{ch}. is Evident to any one That Can see & Will but consider That an Other Interest that allways Opposed him & Stood Competitors with him for That place can now Joyne there Interest for him To Uphold him To Oppose & affront y^e Governmt. and Therefore Depend upon That it is y^e full Resolution of my Selfe & Deputies That Mr Logan Shall Never be Continued in That Place of Receiv^r for we are Resolved fully to Exert Our Power & To Convince all People That y^e Way To gett Perfirm^t. shall not be to fly in y^e face of y^e governmt: But if you Will Propose to us any Person That is Indifferent you Will find us ready to Comply with you in any Thing Reasonable. & for feare you Should not Readily Thinke of a Person I Shall Nominate one To you who by his Industiously avoiding meddleing with any Parties or Interests in These our unhappy Differences wee Think Standes Equally faire in y^e Opinion of y^e Governmt. as also of y^e People. And That is Maj^r— Parris who Offers to under take it upon Such Reasonable Terms w^{ch}. we heare haue been allready Communicated to you That we Cannot Immagine how you Can justly Refuse him however if you Can giue in any Just Reason or objections against him wee Shall be Ready To hear Them but if you doe not approve him this be Assurd that whoever hath y^e Place Shall officiate upon y^e Same Terms being So advantagious to y^e Publick. And by That means I shall fully Convince all y^e People of y^e falseness of That Calumny w^{ch}. a Certain member of your house Who Takes an Extravagant Liberty in Words as Well as Actions) was Pleased To Raise of me That I was desirous To haue y^e nomination of y^e Receiv^r. That so I might have a Sum of money for it, now to Convince you of That Slander

I would Desire you To ask Mr. Logan who hath held That Place will y^e full Profitts of it Upwards of four years) What I Ever received of him for it Though When I consented to his being appointd Receiv^r. An Other Worthy member of your house offerd me a blank to Make my Owne Demands if I would give him y^e Preference, if you aske That Worthy Member he Will haue more Hon^r. Then To Deny it if he Doth I Will Produce his Own Letter under his hand to Prove it but by this method & Terms That major Parris hath Proposed it Will be out of the Power of my Selfe Or any Owne Else to make any Advantage of That Office This Gentlemen is Our full Resolution in This affaire from w^{ch} wee will not in y^e Least receedd, therefore if you Refuse Com [break] with us herein if any Injury happens to y^e Publick y^e fault will lye at your doors & you must blame no one but your Selves for this be Assured that I will Neither dissolve you nor Prorogue you Therefore if you Will adjourne yo^r. Selues & leave y^e Cuntries business undone & Neglected now in y^e Time of This Eminent danger wee will Take Caire To sett this whole affare in a Cleare light not only to y^e People here but alsoe to there Lords & Sons at home then all Well meaning & Sons may See That it is not y^e good & interest of y^e People that you drive at But yo^r. May it Please your Hon^r.

The house having naturely taken into Consideration the Severall Parts of yo^r. hon^{rs}. Last Speech we must in Answer retorne That we are infinitely sorry at y^e & present unhappy Circumstances of This Country are Still Like To continue by your Hon^{rs}. endeavouring to abridge y^e house of Com^{ons} of There

just Right of Ordering all Things Relateing to y^e Desposall of y^e Publick money wee are heartily Sorry may it Please your. hon^{rs}. that. that debate that Was finally Concluded by a Law (w^{ch}. Tho: now Expired yet y^e Justice & Reasons of it Continue for Ever Should be againe received yo^r. Hon^{rs}. Arguments from Ther Lordssps Perogative (if They be ~~ϕ~~sued as farr as They Will goe) tend intirely To Take away y^e Whool power of y^e Commons in Parliament from Nameing any Officer whatsoever a pretence never before Started in This Province & w^{ch}. we Cannot Think of w^{thout} y^e deepest regret y^t. your hon^r. Should Seem so firmly Perswaded of That of w^{ch} Reason & Constant Experience may Show y^e Contrary if There Lord~~ϕ~~s had Looked upon y^e Publick Receiver to be one of There Officers they would Certainly at Some Time or Other heretofore have Sent him Letters or Instructions as Such but it is Verry Plaine they Never Did w^{ch}. is as good as a thous & Argum^{ts} that They Thought they had no Right so to do as to y^e One Instance w^{ch}. your Hon^{rs} mentions relateing to y^e house of Comons. nameing Commission^{rs} to Lay out the Publick money it is not alone but in any Other Instances may be Produced of That Kind Even as often as They Doe not Think fitt to Trust y^e Treasurer but if it were to y^e paralel will by No means hold good betwixt y^e King & a govern^r. of Prouince who being a Subject & more Limitedd by Law theres infinitely more reason that Every Thing Relateing to Disposall of y^e Publick money Should be in y^e hands of y^e Representatiues of y^e Whole People Then in Govern^{rs}. who haue heretofore & may hereafter be Needy Courtiers Come abroad to Enrich themselues Though y^e People haue Nothing of That Nature to fear from yo^r. honn^r. yet Presidents and Laws are made for Time To Come your Hon^{rs}.. Presently of your Own Accord Seem To gine up What you Aleidged was Wholly ther Lordssps Perrogative. & Seem Only to Insist on a joynt Power of Nominating a Receiver wth. y^e Lower house but Lays foundations for Endless Debates & divisions between y^e Two houses w^{ch}. heretofore hane hapned when your hon^{rs} Predecessors Tho against Reason haue Insisted on y^e Same Pretence. & Which Debates yo^r. honn^{rs}. so wisely laid a Sleep by y^e Law before Mentioned. & we must Take The freedom To Enforme yo^r Hon^r; That we Cannot w^{thout} a manifest Violation of y^t Trust reposd in us. gine away That Right

w^{ch} The People by There Representatives always had, & of Which wee found them in Possession wee Cant but be Concerned That yo^r. hon^r. Should so much Reflect Against y^e judgement of y^e house in Chuseing a Person whom your hon^r. hath always esteemd so well Quallified for That Trust That your honn^r. did most Generally refuse all That was Proposd To you by Another hand, rather Then y^e Publick Should be Deprived of y^e Service of a man so fitt for That business, & as for Parties & competitors for Places, Nothing of That Nature Lies before our house & we Think strange yo^r hon^r. should mention such Things To us but much more That you are Pleased To Aleidge That Such a post is Sought as a Protection for any Crimes. Whereas your Hon^r. Knows Verry Well y^t y^e Law is as Equally Open against Such an officer, as any other Person, as for y^e Person Proposed To us by your honn^r. it is Sufficient reason for us To reject him, because we are not Concerned so much To Know your Honn^{rs} Opinion as y^e Opinion of our own house whos undoubted Right it is, & Who haue already Come To a Resolution in That Point but To make good Our former assertion & Show how Difficult or almost impossible it is for y^e Two houses To agree in Nameing Receivers & Comptrolers wee of all Others in This Prouince should Never haue Appointed nor will be ever Consent That major Parris shall be Put in That Trust & y^e Reasons yo^r. honn^r. aleidges in his behalfe confirms us in our Opinion for we are far from beleiving a Careless indifferency, or Rather a Slavish fear to be a good temper, no, he is a man of true worth & honn^r. that When a Country is Divided boldly Esponseth y^e Cause of That Party w^{ch} he belienes To have truth & justice on there Side And we haue uery good information what Character yo^r. hon^r. was Pleased to giue that gentleman very Publickly such as Ras-kell Lyar &c As To being Limited To maj^r. Parris or any Persons terms, wee must begg your hon^{rs}. Pardon if we absolutely refuse it, because as wee haue y^e undoubted right of Nameing these officers now in Controversys, so are we they Only Proper judges what is a Sufficient reward for doing their Duty w^{ch}. we haue so abridged already by y^t. act w^{ch}. was Laid before your Hon^r. y^t. y^e Country can Receiue no Prejudice by Paying so Small a Sume for Doing so great Buisness./—

As to Coll Logan giving your hon^r. any Reward for y^e Place it no way relates to us Neither is it materiall to Decide y^e. Thing in debate but we must Take Notice how much reason we haue steadfastly to insist upon our Rights Since yo^r. hon^r. informs us y^t. a Verry worthy Person Proferrd such high Terms & we Think it Verry Necessary for y^e good of y^e Prouince y^t all Persons should Rather aim to be Rewarded by y^e Representation of there Country, for Serving it fairly & faith fully rather Then by Contracting with Gouvern^{rs}. Who haue Verry often, & may againe be ꝑson Who rather Aim at in riching themselves then at y^e. Public good w^{ch}. Cannot be Said of y^e house of Com^{ons} As to yo^r. hon^{rs}: resolution in y^e End of your Speech wee Answer—

That wee haue notwithstanding y^e Discouragem^t. wee have met wth. made y^e greatest Progress in Publick matters as Ever any Assembly did we haue brought Every Thing near To a Conclusion most of our Bills are Comd. & y^e People haue Discouerd a more then ordinary Satisfaction in y^e Proceedings of This Assembly—

But if at Last we must be able to do Nothing for y^e Publick good. if y^e Debts remaining Due from y^e Publick must Remain unpaid & Consequently severally People ruind if y^e Country be Exposed to y^e Invasions of y^e french & Spaniards for Want of finishing Our fortifications if Our Coasts must Remaine ungarded & Our Town Neglected for Want of Watches & Lookouts if in a Word, y^e Cuntry must Lie Open to y^e incursions of y^e barbarous heathen who make no Distincion of Persons for Want of a Due regulation of y^e Indian Trade & all y^e Dismall Consequences of an Indian Warr not prevented nor Provided against & This only because y^e people will Name y^e Officer They Think fitt to Intrust There Money wth; we hold Our Selues guiltless & apeal to all y^e— World at Whose Door all y^e misfortunes, Devestations and Calamities w^{ch}. may happen to us Will be Laid & how unlike this Difference is to y^t. union & Reconsiliation w^{ch} you in yo^r. Address to her Sacred Majestie. Say, is Now restord unto us—

Upon Reading y^e govern^{rs}. This Days Speech to This house wherein Coll George Logan a member of This house was mentiond as being a ꝑson obnoxious to y^e Governm^t. &c^a. y^e said Geo: Logan Desird y^e Leau^e of This house, That They Would

Wee were not more started at y^{or}. Rejecting y^e Bill for appropriating y^e Profitts of y^e Indian Trade to y^e Benefitt of y^e Publick than at y^e reasons you giue for your soe Doeing—

How y^e management of y^e Indian Trade for y^e Benefit of a Whole Country in Such a manner as is Prescribd in y^e Said bill can be a monopoly wee Cannot conceine unless we are Ignorant of y^e Signification of That Word nor Can we Thinke that because (grand) is made an Epithet to it, it is Possible for you To Imagine y^e word can extend to Signify, an ingrossing of a Trade by an Entire Comunity of People./

The method & Way we were upon for managing y^e Indian Trade by a Publick Stock is Exactly agreeable To Such Proposals as were made by y^e Late Gover^r Moore (who certainly understood y^e Nature of That Trade as well as any Man in his Speech to y^e house of Com^{ons} Jan^r: 15th: Anno 1702/3 wherein he Recomend'd to them as Worthy there Thoughts, Such a Regulation of the Indian Trade as might make it as well more Safe as More Profitable to y^e Publick Receiver, w^{ch} he advised might be best Done by Taking it into y^e management of y^e Publick and With w^{ch}. Advice y^e Comons then in being entirely Concurd upon Those Considerations it was That we fell upon y^e afores^d. method, and had Nothing more in View by Our Soe Doeing then Preserving our Safty & Enlargeing our Publick Revenues—

This wee would make Appear would Naturely haue arison to us by means of y^e aforesaid Project had your honn^{rs}— allowed us a free Conference, but Since we are So Strangly deprivd of That by your Rejecting our Said Bill without giving us y^e

Least notice we haue Reason to fear we Shall wee Shall too Soon be Sensible of y^e Loss of so good a Bill, and almost despair of finding our Security in any Other way whatsoever But Since we are under so fear full apprehensions & haue so great reason to Dread Our Utter Ruin and Destruction from a Continuance of y^e hurried Abuses & grievous mismanagements of y^e Trad^r Amongst y^e Indians we haue again Attempted upon yo^r. Wee Verry Little Expected to receiue any Other bill Thiss Sessions for Regulatēg y^e Indian Trade, because wee Could not Imagine you were acquainted that a bill once rejected Cannot be read again that Sessions for tho This bill be Writt on Other Paper & for y^e most Part framed on a Different scheme, yet it Bears y^e Same Still, & is to y^e Same 7thpose (Viz^t) y^e Regulation of y^e Indian Trade—

It is true, we told you yesterday on Rejection of your first bill that wee were Willing to Receiue any Other Bill for Regulatēg y^t Trade but wth no manner of Intention or Designe to admitt it at This Time being altogether irregular, & unparliamentary, & Therefore Cannot Receiue yo^r. Last Bill This Sessions & w^{ch} for y^e reasons a foresaid wee had Imediatly Returned Last Night but that you adjourn'd on Our Receipt thereof—

Wee Think it Verry Strange Gentlemen, That you who on all Occassions Profess so hearty inclinations for y^e Good of y^e People can Think of any Thing before Paying y^e Publick Debts due to so any Necessitous p^{er}sons finishing y^e fortifications & Receiving y^e Acts for Want of w^{ch} y^e Poor People are in great Want, y^e Towne defenceless & y^e Publick Treasury Defeated of its Revenue—

Surely you Can never Expect to amuse any p^{er}son here after by Laying these Things at your Doors—

You Know how often, & how Earnesly wee haue invited and Desird you to p^{er}fect & Ratify y^e money Bill, What Concessions haue we not made to Induce you to it passing a bill To Settle y^e Right of nominating a Receiv^r In y^e house of Comons w^{ch}, no Consideration, but Compassion to y^e Present State of y^e Prouince Could moue us To Choosing rather to Hazard y^e displeasure of There Lordsp^s then see the Ruin of y^e Country— And after all, Even when those very Bills were Ingrossd & readily by your Own Consent for Ratification you most unaccountably postpond them To Other affairs that haue no Proportion in the Necessity

Wee See how improper it is to Oblidge Some People who make y^e Receiving one favour aright To Demand anoth^r

The Bills for y^e Ellections & Indian Trade, haue no manner of Dependance on y^e Payment of Publick Debts then no Person you may be Assurd will Refuse his money because those matters are not yet settled but Every Body will Blame us for trifeling away soe Much time to so Little p^{er}pose—

You haue Satt a Long Time already and its Reasonable to Think of a Recess therefore do Not any Long^r, Procrastinate Necessary buisness but Vindicate at Last, the faith interest honnour & Reputation of y^e Country by Paying y^e Publick Debts finishing y^e fortifications & revinueing y^e Acts w^{ch}, as They are y^e most necessary points In Demande, & w^{ch} you your Selves Promissd first To Take Notice of Soe we are Resolvd to giue them the Preference to all Other Considerations

Orderd

That Mr. Speak^r. & y^e Whole house Attend y^e Gouvern^r. and Conncill with y^e following message/.

May it Please your hon^{rs}—

With the utmost Surprise & Confusion wee heard your Message, And poor Shadows of reason for Returning Our Second Bill for Redressing y^e abuses of y^e Indian Trade, a Thing w^{ch} yo^r. hon^r. haue Often Declared to be of absolute Necessity & is Now come to that height. That Want of Watches, forts, Loss of Duties &^{ca} is not To be Named in Comparison with it, & if it be Our unhappy fate To Live in Such a time when Our Country is Doomed to be ruined, we are not Sollicitous to ꝑvide a defence for Our breasts when we may at y^e Same Time receive a mortall Stabb: thro Our Backs. As To yo^r. hon^{rs}. Pretence That This is y^e Same bill, it is so farr Otherwise That y^e nature Design & very Title are different & nothing Com^{on} to both, to make them the Same unless it be because y^e Words (Indian) & (Trade) are used in Each we haue often been told by y^e Generallity of y^e Inhabitants That we Should never be able to ꝑcure any good Law for That End from yo^r. hon^{rs}. Tho we Our Selues had more Charity and Stronger hopes that yo^r hon^{rs}. would not be altogether so averse to any man^{er} of Regulac^{on} how moderate soever untill now That you haue been Pleased to giue us an unanswerable Demonstration of it

Yo^r. hon^{rs}. Seems Verry Earnest for Passing The money bill nor are we Less, but as To The Disproportion of y^e Necessity of That & y^e Other Relateing to y^e Indian Trade we Confes it is great Even as great as Some Peoples being without y^e money due To Them is in Comparison to y^e Apparent hazard and Ruin of y^e Whole Country a Thing y^e People in Generall are so Sensible & apprehensiu^e of That in Most Places They gaue it in Express Charge to us their Representatives to ꝑceed upon That and Preferr it To all Other Considerations./—

Yo^r. hon^r. Thinks it Improper to Oblidge ꝑsons who make y^e Receiving One favour a Right To Demand another now we on Our Part know of no People yo^r hon^r hath granted favours to, and we are Sure Passing good Laws is a duty Incumbent upon all Govern^{rs}. Especially Whome Demanded by Soe Many Assemblies & y^e universall cry of y^e People, Neither Do we now Demande The Passing This Law as a favour but as a Right w^{ch}

we haue to Propose y^e methods of Redressing abuses and Providing for y^e Publick Safety. And yo^r. hon^r. by your Oath and y^e Duty of yo^r. Place is Oblidged to Assent to if we make appear not only y^e Conveniency but Necessity of Passing Such Laws which we are ready to do When you Please—

It is True we haue Sett Long already and do much Desire a Recess, yo^r. hon^r. hath Taken y^e Ready may That we Shall Soon haue it by Putting y^e house in Such a ferment That we are not Like To Stay Long together, however Admit it all y^e Confusions That Threatens This unhapy Country we Shall Still Enjoy That Tranquility of mind w^{ch} Constantly Attends those who haue faithfully Discharged there duty w^{ch}. is all y^e Comfort we haue untill it Please y^e divine Goodness Either to Influence yo^r. hon^{rs}. to Act in This Case for y^e Publick good, or to Send us a favourable return from y^e Queen Our Sovereign, To Whome we must now Address Our Selues with y^e utmost Application

A message from y^e Govern^r. & Councell by Cap^t. Geo: Evans Relateing To judge Trott Viz^t

Gentlemen

Surely you never Read or Considerd Our Answer to your Last Address Otherwise you would not again urge yo^r. Desire To haue us Appoint another Judge before whome you might Prosecute m^r. Trott without Taking notice of or Endeavouring to Obviate y^e. Reasons we then gaue you

Wee Plainly Informd you That Such Proposals were Irational & unpresidented & that no judge of Record by Commission may be Questiond before another Judge for misdemeaners done in his Office. This you Take no notice of, or rather by yo^r Silence Approue y^e Same. but yet would Put us under y^e Necessity of Doing what we haue already told you is Irationall unpresidented & agst. Law

You Say we are but Such a Court, nor any way like to a house of Lords before Whome in y^e Kingdom of England Appeals Usually Lye and before whome impeachm^{ts}. are brought in by y^e house of Com^{ons}—

We answer you y^t. we are a Part of y^e Legislatiue Power of This Prouince so we haue as much Right to hear Complaints as you haue to Impeach & Think it is much more to y^e Dignity

of y^e house of Com'ons to bring an Impeachment before us Then before an Inferiour Judge of Assize, who if his judgment happen not To be Approvd may be Questioned by Those who Submitted to it You Seem carefull That There be not a failure of Justice but forget that you Endeavour y^e Contrary by his Owning Our Power in y^e Case of Impeachments Tho in a former message we Told you Our judgment Should not be Conclusiue but That you might from Thence appeal To y^e Proprietor or y^e Queen In Councell As To What you Say That y^e Aversion of y^e People agst— Mr. Trott is Such, That they Will not Try their Causes before him nor Serue as Jurymen, we Cannot Tell What you mean by those Dangerous Expressions, & allowing y^e— People a Liberty whether They Will Obey there majestates or not y^e Law Requires them To Serue as Jurymen, & y^e Penalties of That Law will oblidge Them to giue Obedience to it

And as to P^{er}sons refusing to bring there Actions before him we would not Advise any One That is indebted to fancy that their Credittor will rather Loose There money Then Sue for it before him—

That is What we Think fitt To say in answer To yo^r. Last Address. Since y^e Receipt of Which Mr. Trott has produced before us a Comission for cheife Justice from y^e P^{ro}prietors who are so Care full of keeping up his power and not To Subject him to be Tryed by inferiour Courts not Even by us There representatives, that in There Said Commission They Expresly Ord^r— that he Shall hold & Continue as Cheife Justice untill Such Time as upon a hearing before Them in England he Shall be judged unworthy of That Place—

Soe That now if you intend to make any Complaint agst. Mr. Trott you must Lay it before y^e Lords P^{ro}prietors in England, who haue giuen him his Comission, & to Whome hes Accountable & to no one Else, so That would you now admitt it we Cannot ajudge y^e Premisses for by this New Commission from y^e Lords y^e Power is absolutely Taken from us & Reserved to Themselves, as Was formerly in There Commission to judge Bohun

Gentlemen

Wee were in hopes that y^e Prelinaries to y^e Indian Trade were
already Setled between us; but Least of all Expected Such
New overtures considering y^e unreasonableness of Them & The
hardships you Would impose on yo^r. Govern^r. That he Should
giue Security to refund y^e money if y^e Lords Propriators re-
fuse To ratifie y^e act

You Know that all y^e Terms and Proposals relating to
This affair are your own & not Ours. who on y^e score of y^e
Necessity that you Informd us y^e Indian Trade was und^r. of
a Regulation agreed To y^e Same

And now we haue Consented to yo^r. own Terms you Trump
up new matters Soe inconsistent wth Our Power That we begin
to Doubt yo^r. Sincerity in y^e Verry Designe & intent of y^e Bill—
for wth. what colour of Reason Can you Expect That we should

Answer for There Lordships Resolution who best Knows y^e Extent of There Owne Privildges all that you Can in Reason Expect from us therein is Our Concurrence w^{ch} we haue frankly Offerd you in y^e way & manner already as wee Thought Agreed on

But Though we Doubt not, but That their Lordships According to There Wanted regard to y^e Prosperity of This Prouince will Readily Confirm So Necessary An Act as This Regulation & That wee Our Selues will Promote y^e Same by Letters to Their Lordships to That Purpose yet we Will be Under no Obligation that it Shall be Effectuated because it is Promising a Consequence not in Our Power, as well as an Extreem hardship On y^e Govern^r. who (if it Should so happen that There Lordships Should refuse y^e Confirmation (not Only must refund yo^r. £400 but be Deprived of all his Indian Presents Dureing y^e Pleasure of There Lordships is unknown

Wee See Plainly Gentlemen. That in This as Well as Other affairs you seek Occasions to Differ with us and Know not how to Limitt yo^r. Own Demands retreating when we Come up to you & Cloying one Concession With Another — — — Therefore if it be true y^t in good Earnest you would haue a regulation of y^e Indian Trade & That all you haue Done hitherto be not to Amuse us wth Causless fears of y^e ^ṭrSent inconveniences, if it be not your Own Private Interest That you would Satisfy but y^e fears & desirs of y^e People Accept it Then on y^e terms already agreed on & if you must needs Exclude y^e Govern^r. wholly from all his ^ṭsvns from y^e Voluntary Indians. Let us Know What Annuall Consideration you Would make him for them who is fully Disposed to part with Any Thing To Satisfy y^e Reasonable dem^{ds} of your house, & we y^e Rest of y^e Deputies wth him are also Resolved y^t. y^e Indian Trade Shall Either Now be Regulated or at Least all y^e ill Consequences of y^e Neglect remoued from Our Doors & Therefore haue Sent Down y^e Bill read & past y^e first time in Our house wth Amendm^{ts}—
